allowance for this extra work. It is not known why, although the system has been brought into force from 17.6.1940, the allowances were not recommended to be given from that date. The Court could have explained the reasons if any, failures in the last 4 years prior to 17.6.1940 in this respect and how the present arrangement is an improvement on the previous one. This is a duty of the Public Conveyance Department and if this work is one which continues throughout the year, it would perhaps be desirable to entrust the entire work to this Sergeant without any additional remuneration.

OF HIS HIGHNESS THE MAHARAJA OF MYSORE,
LAW DEPARTMENT, BANGALORE.

SIR,

I have the honour to state that in connection with the -- registration of jutkas, the ponies have to be numbered. This work is entrusted to Syed Abdul Razack, a permanent Public Conveyance Sergeant on Rs. 15/- + 5/- C.A., who has undergone training at the Mysore Lancers in the Process of branding numbers on the hoofs of ponies. This is an extra work this official is entrusted as he has undergone the necessary training. This work continues throughout the year as the horses branded once will have to be rebranded once in three or four months as the hoofs of the horses grow, thus rendering branded numbers invisible. The total number of horses dealt with is 695 a year. A proposal to give an allowance of -- Rs. 5/- to the said official has therefore placed before the Managing Committee and the Municipal Council, who, at their meetings held on 4th October 1941 and 25th October 1941 respectively have approved of it. Copies of the resolutions of the Managing Committee and the Municipal Council are enclosed for favour of obtaining the sanction of Government for granting an allowance of Rs. 5/- per mensem to Syed Abdul Razack, Public Conveyance Sergeant for the additional work he is doing as stated above.

I have the honour to be,
Sir,
Your most obedient servant,

Municipal Commissioner.

Forwarded with compliments,

Honorary President.
